RouteSmart Technologies Product Compatibility Chart

The Product Compatibility Chart is designed to help communicate the status of the current version of RouteSmart products and related products and operating systems to RouteSmart Technologies clients. This document is designed to complement the Product Life Cycle Status. Current system requirements are highlighted in red.

RouteSmart for ArcGIS Compatibility

Year		2018	2019		2021		
RouteSmart for ArcGIS		2018	2019	2019.1	**2021**	**2021.1**	**2021.2**
Esri	ArcMap	10.5.1	10.6	10.6/10.6.1	**10.6.1**	**10.7.1**	**10.8.1**
