INTEGRATED SKILLS LTD**

---

**1. Property of the Licensor**

You may subscribe to a licence for this Software (“SmartSuite Mobile”) from the Licensor (Integrated Skills Ltd). The copyright and any other intellectual property rights (including, but not limited to, trademarks, patents and designs) in the programs and data which constitute the software product (the “Software”) remain the property of the Licensor. You are licensed to use the Software only if you accept all of the terms and conditions set out below.

**2. Licence Acceptance Procedure**

By initiating the Software you indicate your acceptance of this Licence Agreement and the limited warranty and limitation of liability set out in herein. Such acceptance is either on your own behalf or on behalf of any corporate entity which employs you or which you represent (a “Corporate Licensee”). In this Licence Agreement, “you” includes both the reader and any Corporate Licensee.

**3. Ownership of Software and Copies**

The Software and related documentation are copyrighted works of authorship. The Licensor retains ownership of the Software, all subsequent copies of the Software and all intellectual property rights subsisting therein, regardless of the form in which the copies may exist. This Licence Agreement is not a sale of the original Software or any copies thereof.

**4. Licence**

Provided that you have paid the applicable annual subscription fees, the Licensor grants to you a limited, non-exclusive licence to access and use the Software on specified and approved hardware owned, leased or controlled by you. You will only be entitled to receive Software modifications, updates and support as long as the applicable fees are paid without interruption or break

**5. Licence Restrictions**

You may not use, copy, modify or transfer the Software (including any related documentation) except as expressly provided for in this Licence Agreement. If you transfer possession of any copy of the Software to another party your licence is automatically terminated. You may not translate, reverse engineer, decompile, disassemble, modify or create derivative works based on the Software. You may not vary, delete or obscure any notices of proprietary rights or any product identification or restrictions on or in the Software. You may only use the Software for processing your own data and for your own internal business use only.

**6. Transfer**

The Software is licensed only to you under subscription. You may not rent, lease, sub-licence, sell, assign, pledge, transfer or otherwise dispose of the Software, on a temporary or permanent basis.

**7. Undertakings**

You undertake to:

- 7.1 Use the Software only within the bounds of the terms and conditions of this Licence Agreement;

7.2 Ensure that, prior to use of the Software by your employees or agents (where relevant), all such parties are notified of the terms and conditions of this Licence Agreement.

## 8. **Limited Warranty**

8.1 Subject to the limitations and exclusions of liability below, the Licensor warrants that the copy of the Software provided to you will materially conform with the documentation that accompanies it. The warranty period is 12 months from the date of purchase (the "Warranty Period").

8.2 The Licensor shall not be liable under the said warranty above if the Software fails to operate in accordance with the said warranty as a result of any modification, variation or addition to the Software not performed by the Licensor or caused by any abuse, corruption or incorrect use of the Software, including use of the Software with equipment or other software which is incompatible.

## 9. **No Other Warranties**

The foregoing warranty is made in lieu of any other warranties, representations or guarantees of any kind, whether expressed or implied, including, but not limited to, any implied warranties of quality, merchantability, fitness for a particular purpose or ability to achieve a particular result. You assume the entire risk as to the quality and performance of the Software. The Licensor does not warrant that the Software will meet your requirements or that its operation will be uninterrupted or error free.

## 10. **Limitation of Liability**

The Licensor's entire liability and your exclusive remedy shall be:

10.1 The replacement of any Software (with the download of the required installation and setup materials) not meeting the Licensor's Limited Warranty and which is returned to the Licensor together with dated proof of purchase; or

10.2 If, during the Warranty Period, the Licensor is unable to deliver replacement Software or to provide a suitable downloadable replacement which is free of material defects, you may terminate this Licence Agreement by returning the Software to the Licensor or to the original place of purchase and any money paid to the Licensor or (as relevant) the reseller for the Software will be refunded.

## 11. **Exclusion of Liability**

In no event will the Licensor be liable to you for any damages, including any lost profits, lost savings, loss of data or any indirect, special, incidental or consequential damages arising out of the use of or inability to use the Software, even if the Licensor has been advised of the possibility of such damages. Nothing in this Licence Agreement limits liability for fraudulent misrepresentation.

## 12. **Your Statutory Rights**

This Licence Agreement gives you specific legal rights and you may also have other rights that vary from country to country. Some jurisdictions do not allow the exclusion of implied warranties, or certain kinds of limitations or exclusions of liability, so the above limitations and exclusions may not apply to you. Other jurisdictions allow limitations and exclusions subject to certain conditions. In such a case the above limitations and exclusions shall apply to the fullest extent permitted by the laws of such applicable jurisdictions. If any part of the above limitations or exclusions is held

to be void or unenforceable, such part shall be deemed to be deleted from this Licence Agreement and the remainder of the limitation or exclusion shall continue in full force and effect. Any rights that you may have as a consumer (i.e. a purchaser for private as opposed to business, academic or government use) are not affected.

**13. Term**

This Licence Agreement is effective until terminated. You may terminate it at any time by destroying the Software together with all copies in any form. It will also terminate upon conditions set out elsewhere in this Licence Agreement or if you fail to comply with any term or condition of this Licence Agreement or if you voluntarily return the Software to the Licensor. You agree upon such termination to destroy the Software together with all copies in any form.

**14. Export**

You will comply with all applicable laws, rules, and regulations governing export of goods and information, including the laws of the countries in which the Software was created (United Kingdom of Great Britain & Northern Ireland). In particular, you will not export or re-export, directly or indirectly, separately or as a part of a system, the Software or other information relating thereto to any country for which an export licence or other approval is required, without first obtaining such licence or other approval.

**15. General**

15.1 Each party irrevocably agrees that the courts of the country of registration of the Licensor, its subsidiary office, or reseller which issues an invoice for this Software, shall have exclusive jurisdiction to resolve any controversy or claim of whatever nature arising out of or in relation to this Licence Agreement and the place of performance of this Licence Agreement shall be that country and that the laws of that country shall govern such controversy or claim.

15.2 This Licence Agreement constitutes the complete and exclusive statement of the Licence Agreement between the Licensor and you with respect to the subject matter of this Licence Agreement and supersedes all proposals, representations, understandings and prior agreements, whether oral or written, and all other communications between us relating to that subject matter.

15.3 Any Clause in this Licence Agreement that is found to be invalid or unenforceable shall be deemed deleted and the remainder of this Licence Agreement shall not be affected by that deletion.

15.4 Failure or neglect by either party to exercise any of its rights or remedies under this Licence Agreement will not be construed as a waiver of that party's rights nor in any way affect the validity of the whole or part of this Licence Agreement nor prejudice that party's right to take subsequent action.

15.5 This Licence Agreement is personal to you and you may not assign, transfer, sub-contract or otherwise part with this Licence Agreement or any right or obligation under it without the Licensor's prior written consent.
